

ECIC Call for Abstracts

The Texas Association of Environmental Professionals is pleased to announce that the 8th Annual Environmental Challenges and Innovations Conference Gulf Coast 2015 will take place on October 6, 2015 at the Hilton Westchase Hotel at 9999 Westheimer Road in Houston, Texas. We are now accepting abstracts. Presentations based upon the submitted abstracts will include a 30 minute presentation with questions to follow. Abstracts **MUST** be submitted by **MONDAY, SEPTEMBER 14, 2015**. All abstracts may be no longer than **275** words, including title and authors, and must be submitted to Alison Suarato (asuarato@languan.com).

Abstracts, case histories or topics should represent the following technical tracks for this year's conference, which include:

- Remediation
- Environmental Due Diligence
- Environmental Innovation
- Environmental Assessment & Risk
- Water, Wetlands, Watersheds & GCWDA
- Air Topics
- Natural Resources
- Industrial Hygiene
- Making A Difference: Community Involvement

Selected presentations will be notified by **Monday, September 21, 2014**.
