

Briana Gallagher is currently the Water Resources Project Manager for the San Jacinto River Authority's Water Resources and Flood Management Division. In her current role, Briana's primary focus is the management of several flood management and infrastructure improvement projects. She also focuses on stakeholder engagement and short- and long-term water planning.

Prior to working for the San Jacinto River Authority, Briana served in the United States Marine Corps. She holds a Bachelor of Science in Legal Studies from the American Military University and a Master of Public Service and Administration from Texas A&M University. She is also a Project Management Professional certified by The Project Management Institute.
